Reilly Arts Center

Dear Sponsor,

It is a privilege for me to take this opportunity to thank you for considering our sponsorship opportunities for TEDxOcala. TEDxOcala is a not-for-profit conference which is an independently organized TED event. This is our twelve year and with your generous support, our aim is to create a first-class event to showcase ideas worth sharing in our community and with the global TED community.

There are many reasons to partner with us including:

- You believe in bringing together organizations and individuals who want to be change agents surrounding remarkable thinking and ideas.
- You want to leverage ideas, technologies, design and education to help create a better future.
- You think it is important to invest in your local community to support innovation and the power of “ideas.”

We are delighted with your willingness to collaborate with us.

TEDxOcala is organized by local volunteers who care deeply about creating a better future for our community. We receive funding from leading individuals and organizations in Ocala who believe in the power of ideas to change the world and our community. In exchange, we provide promotional benefits and immense gratitude to each of our partners.

Financial contributions to TEDxOcala are applied directly to our event production costs. We are also grateful for the countless hours that our volunteers are dedicating to bring this event to life.

Thank you very much for your time and support. We are looking forward to making this experience memorable and an event we can all be proud of.

Kindest Regards,

Dr. Manal Fakhoury
Curator TEDxOcala
